

January 15, 2021 Update

We are open and will continue to service ongoing essential construction projects as well as snow clearing and landscaping service providers during the current provincial shutdown. Before visiting our yard, please take a moment to review the following changes to our order process, which are in effect for the duration of the shutdown.

- **If you are sick, have traveled in the last 14 days or have been in close contact with someone who is sick or has recently traveled, please stay home.** Our staff are available and happy to assist you by telephone or email.
- **Placing Orders:** Please call or email your orders in advance. Our experienced staff will pull the product you need and have it ready for you.
- **Pick-ups:** When you arrive at our gate, please call 905.335.4900 for access and further direction.
- **Social Distancing:** While in our yard, please maintain a minimum distance of 2 metres (6 ft) between yourself and others. Masks are required when physical distancing is not possible.
- Our buildings remain closed to customers at this time.

Thank you for helping us keep our staff, customers and community safe.

Be well!
